Painting in Portugal
a Randall Sexton fine art workshop

April 24-30, 2022

Join California-based painter and renowned art instructor Randall Sexton for an exciting week of landscape and figure painting in the beautiful region of Azeitão, Portugal. This all-inclusive 5 day/6 night trip is open to all skill levels from beginner to advanced. Spaces are limited as the group will be the exclusive guests at a 300 year-old villa just south of Lisbon. This fully renovated estate is surrounded by vineyards, cork trees, and olive orchards, and offers a breathtaking array of subjects from the intimate to the monumental.

Away from tourists, you will be able to immerse yourself in unique countryside and participate in daily painting demos/lectures and lots of one-on-one painting instruction with Randy. Mid-week, Randy and hosts Adam and Cindy Cave will take the group on a scenic outing where you will experience even more Portuguese culture and history. In the evenings enjoy poolside drinks and appetizers, and gather to admire everyone's daily painting. Dinners, either at the villa, or in the neighboring seaside resort, will feature the finest in Portuguese cuisine including multiple courses of locally sourced ingredients and regional wines. In addition, a private concert of authentic Portuguese Fado music has also been arranged for a special night at the villa.

Gain a unique insight into the Portuguese history and culture with gallery owner Adam Cave, who lived in the country from 1984-1989.
